Note: The vast majority of complaints are resolved locally and informally. However, in certain circumstances, for example, where a complaint is considered to be serious in nature, or where the teacher is required to submit a written response to his/her board of management, the teacher should contact his/her INTO District Representative or INTO Head Office for advice and assistance. In advising a teacher, the INTO will be anxious to ensure that there is due process and fair procedures applied, which generally include:

- that the teacher is fully apprised of all matters being considered by the board of management, including being provided with copies of all relevant documentation;
- the right to respond and adequate time to prepare a response;
- entitlement to be represented by the INTO, if necessary.

Where a teacher contacts the INTO in relation to a complaint(s) made against him/her, the officials involved will generally meet with the teacher and require him/her to provide detailed

written information and documentation on the matter. The officials will assess the case and decide if additional specific legal advice or a legal consultation is required. Specific legal advice is obtained for members in accordance with the Rules of the INTO and the conditions prescribed by the CEC.
